EDUCATION

Drexel University College of Medicine, Philadelphia, PA Jun. 2009-Jun. 2017 (expected)
 MD/PhD Combined Program, Biomedical Engineering
 Current Status: Medical Student, Program for Integrated Learning curriculum, Year 2

Johns Hopkins University, Baltimore, MD Aug. 2005-May 2009
 BS, Biomedical Engineering
 BS, Computer Science
 Minor, Psychology

RESEARCH EXPERIENCE

PhD Candidacy Rotation Jun. 2009-Aug. 2009
 Mentor: Anthony Lowman, PhD, Biomaterials and Drug Delivery Lab
 School of Biomedical Engineering, Science, & Health Systems, *Drexel University, Philadelphia, PA*

Undergraduate Research Assistant May 2008-Aug. 2008
 Mentor: Shelly E. Sakiyama-Elbert, PhD, Cell and Tissue Engineering Lab
 Department of Biomedical Engineering, *Washington University in St. Louis, St. Louis, MO*

Undergraduate Research Assistant Aug. 2005-May 2009
 Mentor: Jennifer H. Elisseeff, PhD, Biomaterials and Tissue Engineering Lab
 Department of Biomedical Engineering, *Johns Hopkins University School of Medicine, Baltimore, MD*

High School Research Assistant May 2004-Aug. 2004
 Mentor: Wilfredo Colón, PhD
 Department of Chemistry and Chemical Biology, *Rensselaer Polytechnic Institute, Troy, NY*

High School Research Assistant May 2003-Aug. 2003
 Mentor: Mani A. Daneshmand, MD
 Center for Cardiovascular Sciences, *Albany Medical College, Albany, NY*
